

Web Sites

Company Information

Note: The best company information can be found using the Library's Online Databases.

Corporate Information

www.corporateinformation.com Free company snapshots including foreign corporations. Use "Company Search" box on right. Some very good industry information.

Hoover's Online

www.hoovers.com Lots of valuable information available for free, but in depth information is fee based.

Company Financial Information

Annual Reports

www.annualreports.com Free annual report service that covers many, but not all, public companies.

SEC Filings & Forms (EDGAR)

www.sec.gov/edgar.shtml Database of company financial filings that are required by the U.S. Securities & Exchange Commissions.

Yahoo! Finance

finance.yahoo.com Includes company profiles, company news, key statistics, listings of competitors, industry information, SEC filings, historical information and analyst coverage. Also stock and mutual fund screeners.

Market Analysis and Commentary

StockCharts.com

www.stockcharts.com Website provides information about technical analysis and tools to create charts. Much is available for free.

Market Watch

www.marketwatch.com Market analysis with news and commentary. Research tools include stock screener and mutual fund finder.

Market News

Bloomberg

www.bloomberg.com Market news and financial reporting as well as articles by Bloomberg columnists. Includes Bloomberg videos and Podcasts. Portfolio tracker, too.

CNNMoney

CNNMoney.com Giant website with articles from Fortune, Money and Business 2.0. Covers business and investment news, markets, rankings, personal finance info and more.

Personal Finance & Investment Planning

Money Central

Moneycentral.msn.com Excellent website for news, investment information, and planning. Especially valuable for researching stocks and mutual funds or see their lists of top-rated stocks. Use website to compare different 401K allocations.

Bankrate.com

www.bankrate.com Website aggregates financial rate information so that the best bank rates for loans, CD yields, and other services can be found. Site includes practical advice on many topics including car loans, mortgages, credit cards, and personal loans. Many financial calculators.

NerdWallet

www.nerdwallet.com Website compares banks, mortgage lenders, brokerage firms, colleges, hospitals, health insurance, credit cards, and car insurance. Even find scholarship money. Best of all, one is able to ask financial questions and receive advice from financial advisors.

Motley Fool

www.fool.com The Motley Fool website has lively online forums and a wealth of information.

Historical Data

Big Charts

www.bigcharts.com Excellent resource for both historical data and charting. Many chart options are available including averages, indicators, and comparisons as well as different chart formats.

ONLINE DATABASES

Links to these databases can be found at www.burlingtonpubliclibrary.org under the research button.

Business Insights: Essentials

Provides in-depth analysis for companies and industries featuring public and private company histories, SWOT and market share reports, corporate chronologies, business rankings, brands, financials, statistics, and investment reports. Included are scholarly articles from major business publications.

ReferenceUSA is a directory of 14 million U.S. companies searchable by name, location, type of business, business size, sales or any combination of these. **Available from home to patrons with a Burlington Library card.**

Morningstar provides data on stocks, mutual funds, and ETFs. **Available from home to patrons with a Burlington Library card.**
